Any and all rights to this software and the contents thereof, including the typographic font embedded therein which the software allows for use, are the intellectual and industrial property rights of **exclusive ownership of Ducati Motor Holding S.p.A. a Sole Shareholder Company, Company subject to the Management and Coordination activities of AUDI AG (hereinafter also "Ducati")**.

The typographic font embedded within the software whose use is permitted by the software itself is protected, among other things, by a design registration which grants Ducati exclusive rights thereto. The software is licensed and not sold. It is protected by law, including, but not limited to, copyright laws enforceable in Italy and all other countries of the world, as well as the provisions of international treaties.

Provided that the user has obtained the software from Ducati and that, amongst others, the terms detailed herein and the conditions agreed in writing with Ducati are complied with, the user is allowed to use the software and the typographic font, whose reproduction is permitted by the software itself, in accordance with the terms and only for the purposes and objectives expressly agreed with Ducati.

Except as expressly provided by the terms herein, the user is not granted any intellectual property right on the software and/or its contents, including the typographic font embedded within the software whose use is permitted by the software itself, and any rights not expressly granted are reserved to Ducati.

Unauthorized reproduction of the software and the contents thereof is prohibited, including the typographic font embedded therein which the software allows for use.

The user is not entitled to rent, lease, sub-license, sell, assign or transfer its software rights, nor to allow the partial copying of the software on other natural or legal persons' computers, unless as otherwise permitted under the terms agreed in writing with Ducati.

Ducati shall in no way be liable towards the user for any loss, damage, claim or cost, including any consequential, indirect or incidental damages, loss of profit or revenues, damages resulting from business interruption, personal injury, breach of diligence obligations, or claims of any third parties.

The use of the software necessarily implies the acceptance of these terms.
